

European Liver and Intestine Transplant Association

A Section of the European Society for Organ Transplantation

July 6, 2016

Chairman

Christophe Duvoux

Dear Colleagues,

Vice-Chairman

Roberto Troisi

We would like to inform you about the next Edition of HLTP, which will be held on October 21-23, 2016 in Rotterdam. Thanks to the feedback and comments we have received during the past editions, we made some improvements in the HLTP program.

Secretary

Wojciech Polak

At the same time and in the same venue there will be a parallel course for the surgeons (Basic Course in Liver Transplantations). Both courses are now run by ELITA, with two combined sessions for both surgeons and hepatologists.

Treasurer

Gabriela Berlakovich

If you have in your team enthusiastic hepatologists, who would be interested in the HLTP please inform them about the opportunity to participate in the HLTP.

Custodian of ELTR

René Adam

Your colleagues can find more information about the program and registration (which is now open) for both courses at:
