

4th Hepatologist in Liver Transplant Program Course (HLTP) October 21-23, 2016 Rotterdam, the Netherlands

SCIENTIFIC PROGRAM

DAY 1 - FRIDAY (October 21, 2016)

11.00-11.45 Welcome Reception

11.45-12.00 Introduction of the 4th HLTP and Presentation of attendees
Patrizia Burra, Padova, Italy

**12.00-14.00 SESSION 1 COMPLICATIONS OF CIRRHOSIS AND THEIR MANAGEMENT IN
PATIENT CANDIDATE FOR LIVER TRANSPLANTATION**

**Chairs: Francesco Paolo Russo, Padova, Italy
Emmanuel Tsochatzis, London UK**

12.00-12.30 Management of liver cirrhosis complications (ascites, hepatorenal syndrome,
variceal bleeding)
Marco Senzolo, Padova, Italy

12.30-13.00 Management of hepatic encephalopathy and bacterial infections
Rob de Man, Rotterdam, the Netherlands

13.00-13.30 Portal thrombosis and anticoagulation in patients on the waiting list
Marco Senzolo, Padova, Italy

13.30-14.00 Clinical case (I^o) – Interaction with attendees

14.00-14.30 Coffee break

14.30-15.30 SESSION 2 THE PATIENT CANDIDATE TO LIVER TRANSPLANTATION

**Chairs: Rob de Man, Rotterdam, The Netherlands
Marco Senzolo, Padova, Italy**

14.30-15.00 HCV and HBV (infection as indication for liver transplantation) antiviral
therapy
Francesco Paolo Russo, Padova, Italy

15.00-15.30 Assessment of patient with NAFLD/NASH with/without obesity
Emmanuel Tsochatzis, London UK

15.30-16.00 Alcoholic liver disease: selection criteria
Giacomo Germani, Padova, Italy

16.00-16.30 Coffee break

4th Hepatologist in Liver Transplant Program Course (HLTP) October 21-23, 2016 Rotterdam, the Netherlands

SCIENTIFIC PROGRAM

16.30-18.00 1st COMBINED SESSION BCLT AND HLTP

Chairs: **Patrizia Burra, Padova, Italy**
Wojciech Polak, Rotterdam, the Netherlands:

16.30-17.00 Preservation of the liver graft including machine perfusion.
Jeroen de Jongen, Rotterdam, the Netherlands

17.00-17.30 Accepting a liver offer (donor liver: extended criteria, DCD, matching donor and the recipient, contraindications, risk situations, donor with steatosis/hepatitis, etc.)
Patrizia Burra, Padova, Italy – point of view from hepatologist
Paolo Muiesan, Birmingham, UK – point of view from surgeon

17.30-18.00 Management of the waiting list: HCC burden
Christophe Duvoux, Paris, France

20.00-22.30 **Networking**

DAY 2 - SATURDAY (October 22, 2016)

8.45-10.30 SESSION 3 ACUTE LIVER FAILURE AND LIVER ALLOCATION

Chairs: **Patrizia Burra, Padova, Italy**
Paolo de Simone, Pisa, Italy

08.45-09.15 Definition, prognosis, selection and timing for liver transplantation
Giacomo Germani, Padova, Italy

09.15-09.45 Acute alcoholic hepatitis: good indication?
Georges Philipp Pageaux, Montpellier, France

09.45-10.15 Allocation systems in Europe
Undine Samuel, Leiden, Eurotransplant

10.15-10.30 Clinical case (II^o) – Interaction with attendees

10.30-11.00 **Coffee Break**

11.00-13.30 SESSION 4 PREVENTION AND MANAGEMENT OF LONG-TERM DYSFUNCTION

4th Hepatologist in Liver Transplant Program Course (HLTP) October 21-23, 2016 Rotterdam, the Netherlands

SCIENTIFIC PROGRAM

Chairs: **Giacomo Germani, Padova, Italy**
Georges Philipp Pageaux, Montpellier, France

11.00-11.30 Prophylaxis for HBV recurrence
Paolo de Simone, Pisa, Italy

11.30-12.00 Anti-HCV therapy in liver transplant recipient
Luca Belli, Milan, Italy

12.00-12.30 Prevention of NAFLD/NASH (recurrence and de novo)
Emmanuel Tsochatzis, London, UK

12.30-13.00 Clinical case (III^o) – Interaction with attendees

13.00-13.30 Selected abstracts presented by the attendees (I)

13.30-14.30 Lunch

14.30-16.30 SESSION 5 SURGICAL ISSUES IN LIVER TRANSPLANTATION

Chairs: **Jeroen de Jongen, Rotterdam, the Netherlands**
Jan Ijzermans, Rotterdam, the Netherlands

14.30-15.00 Donor shortage: how to increase the pool
Paolo Muiesan, Birmingham, UK

15.00-15.30 Surgical complications after liver transplantation
Jan Lerut, Brussels, Belgium

15.30-16.00 Early allograft graft dysfunction
Xavier Rogiers, Ghent, Belgium

16.00-16.30 Coffee break

16.30-18.00 2nd COMBINED SESSION BCLT AND HLTP

Chairs: **Kimberly Watt, Rochester, USA**
Xavier Rogiers, Ghent, Belgium

16.30-17:00 Infectious complications after liver transplantation
Karin Schuurink, Rotterdam, the Netherlands

17:00-17:30 Immunosuppression after liver transplantation: what, when and for how long?
Herold Metselaar, Rotterdam, the Netherlands

17:30-18:00 Transplant pathology for surgeons and hepatologists
Annete Gouw, Groningen, the Netherlands

4th Hepatologist in Liver Transplant Program Course (HLTP) October 21-23, 2016 Rotterdam, the Netherlands

SCIENTIFIC PROGRAM

20.00-22.30 Networking

DAY 3 - SUNDAY (October 23, 2016)

9.00-12.00 SESSION 6 PREVENTION AND MANAGEMENT OF LONG-TERM DYSFUNCTION

Chairs : **Herold Metselaar, Rotterdam, the Netherlands**
Giacomo Germani, Padova, Italy

09.00-09.30 Metabolic syndrome and cardiovascular complications
Kimberly Watt, Rochester, USA

09.30-10.00 Renal dysfunction and de novo tumors
Giacomo Germani, Padova, Italy

10.00-10.30 Alcohol use and smoking after transplant
Georges Philipp Pageaux, Montpellier, France

10:30-11:00 Coffee Break

10.30-11.00 Clinical case (IV^o) – Interaction with attendees

11.00-12.00 Selected abstracts presented by the attendees (II)

12.00-12.30 Conclusion and summary of the educational objectives
Patrizia Burra, Padova, Italy

12:30-13:15 Farewell
